Why did he

Did he

London
that badly?

Sam McKenna
doesn't
understand what
a real doctor is.

That will

She never

even as

For

Justifying
each other
will require
long
conversations

You could
tell from
her wide
memories

Just knowing his name makes my blood boil

You're smiling down toward by all the people who sleep. And saying you wouldn't want any grandchildren yet

I was just saying it well for when you die. Right? Well, a doctor told the man only one. That is, maybe with some care.

And you'll be able to get back to work as before.

How by the way you were back, your hospital to leave.

How things about the street and the person for a while, nothing was happened, right?

We'll have also not more speaking on your side possibilities.

It's right.

Good, you should that yourself a new partner

We're sure early to return, thank!

And
what else to

I never

you would

I thought
if you
found

Dad...

That I was
wrong, you
would never
speak.

You're the
replacement
father—
What are
you
thinking?

It
isn't
just
me,
I mean
from your
father's
side, go?

He's
just

on the

My

I can't
remember.

It's
time
for
the

appear?

Enough
time—
what?

I know
them.

This is
my choice!

What are you
doing here?

Get yourself
and those people
out of the
parking lot
immediately!

is so
connected
with money

Oh, I'm so glad. Thank you, Anna.

Don't look so nervous, Brandon.

It's almost my turn to sing.

I'll write a poem, somewhere to put her in our music books.

Let's welcome her to our home, and we'll be sure to have it all in our music books.

Oh, yeah, by the way -

I heard from some friends.

That you let's welcome her during the moment.

Let's welcome her to our home, and we'll be sure to have it all in our music books.

The children is being pulled out of the car. It's suddenly started.

Yes, just as I thought.

Probably there's a special one there.

It's common among children.

So that's why she couldn't love.

The passage may be the one you thought with that music.

When you hear the children.

You always seem to plan everything yourself and never compromise.

You just need to be the other's support when's your of your friendship plan.

And I study harder. I'm not really in the business.

My dad asked me.

You can't make money if you're always doing it as a hobby.

Did you know that?

You can't make money if you're always doing it as a hobby.

Then I thought I'd go to college.

You can't make money if you're always doing it as a hobby.

Right?

Sorry, but I'm not good at saying no to people.

Especially if it's about my father.

But if you are going to do it, you have to think before you do.

Alright, let me think this through. I want to make sure I don't have any regrets.

I understand.

"I've thought
about
talking
with you
often,
you're really
a strong like
the woman."

Don't forget
this.

"If you think
I want to
complete the mission,
you've done it."

"I've
thought
about
talking
with you
often,
you're really
a strong like
the woman."

"But you
can't take on
anything by
yourself
anymore.
There's no
superwoman."

...the
right.

"I've
thought
about
talking
with you
often,
you're really
a strong like
the woman."

"I should
look
after
her."

"Why else
was
my dad's
partner."

It thought I would
try this home,
and nothing like I
wasn't.

I wonder if Sam is there.

It's a French

perform for
audience. It's more
important than...

Anyway,
there is
no more
of that!

And who made
this of me if
you like, but I

Oh, not in a

Are you
still

Well, tell me

I want to

All right.

Let's handle go this afternoon when the woman is going to the store.

The wife hopes.

You don't think this, do you?

Is there what you did want?

Where did you want cooking?

Charlie

I thought you would get well out of your girlfriend's success, wouldn't you when you're happy?

I wanted to get people on I wanted to work for myself?

If only we had an emergency clinic for the hospital. It would be so much better.

As you know, the clinic is necessary to have with all sorts of patients.

The hospital protocol medicine available. If you don't want.

You should create an emergency clinic for patients.

But, if we do that, patients with minor injuries will come and take advantage of it.

Then your commitment of patients would be interrupted by tourist injuries.

That's a serious dilemma and taking the same thing as me.

Will you
smother me if I
think about
my grandpa?

Alright,
Let's set up an
emergency
kit in case
we're...

Then I can
use it if
you're
willing to...

He's
going to
break out!

It sounds like
he's going to
be really fun
working with
you, Rapp.

The
kit...

Blush

I could realize
there are other
things for me.

If we set up an
emergency kit, it'll
be good for the show.
We can have an emergency
response kit, too.

It's going to get
crazy! You don't
see it!

Thanks for
saying I'm
hardcore.

Yes, when
there's a crisis,
we only use
the hardware
don't use
response
kit... the kit
isn't for the
show.

That
feeling
inside of
me...

I can't see
suggested the
emergency
kit for your
show.

I find a funny
chemistry

As when you
gaze into my eyes,
the room fills

The Kays, the
McKays,
just filming you

together will make
a great show.

cruel beast.

After that, I was

Wonderful
times with
you two.
Just like doctors
on TV who have
been partners for
years!

What are
you doing?

Okay—
if you
can say
no.

If people on the

Then it's a
wonderful thing.

That is
all.

Our young

When does she want to see me from now?

Um...

Everyone wants you guys to fall in love.

And you two often together.

Looks like a lovely couple.
It'll be nice to see the whole new generation.

It'll be nice to see the whole new generation.

Um...

The village is happy for a happy couple together.

It's a happy couple.

It's a happy couple.

Look, there's a house for the happy couple.

If you're sharing a house, it's the same thing.

My little sister and "happy couple" go on.

My little sister and "happy couple" go on.

It'll be nice to see the whole new generation.

I'll give it to the happy couple.

It's a happy couple.

You can see the happy couple.

It's a happy couple.

People in
the village
will see.

You really
want to
not know?

We have to
keep things in
secrecy as
much
as we can.

Really?

Well, sure, I
guess. For the
only one
feeling
anxiety.

It's not long
before we
will have
enough
information
to figure out
what's going
on.

Well, sure, I

only one
feeling
anxiety.

There is
nothing
wrong
with it, it's
just a
different
kind of
anxiety.

We don't.

If you keep

what's going
on.

We can
and we
can't.

Don't

I have no more
the
stupid
anxiety.
I need to go on work.

What was that?

A voice from the cliffs.

Look!

There's a boat up in the sea!

Never thought she would see my boat like this ...

To check the position again.

Today's dinner is protection against the rain.

Is this not protection itself?

Arise!
